

WiN France is a women network open to men, working in various fields of nuclear energy and radiation applications: energy, space, health, art...

WiN France is a section of the French Nuclear Society (SFEN) and an association. WiN France is a founding member of WiN Global which gathers several thousand professionals from more than 145 countries and organizations.

The OECD Nuclear Energy Agency (NEA) is an intergovernmental agency that facilitates co-operation among countries with advanced nuclear technology infrastructures to seek excellence in nuclear safety, technology, science, environment and law.

Thanks to ESIX, Orano, EDF, OECD-NEA, NUVIA, our sponsors and partners for their support throughout the year and WiN Normandie committee.
