

Leadership Workshop

3/10/26

The lens of leadership, experts, and an
inspiring experience.

Welcome Handbook

Anastasia Zhitnikova

Leadership Workshop

WHY PARTICIPATE?

Our 3 Good Reasons

- 1- Inspiration and Education
- 2- Network Building
- 3- Mentoring

Leadership Workshop

1- Inspiration and education

Build your leadership skills and explore the many applications of nuclear energy through practical and inspiring discussions.

2- Networking

Build strong connections with leaders in the nuclear sector, share experiences, and broaden your professional horizons.

3- Mentoring

Take advantage of workshops led by exceptional speakers whose career paths inspire and pave the way for the next generation of female talent.
